OWASP TOP 10 Standard Awareness Certification

We certify that, to the best of our knowledge, the URL http://zofixer.com , (its sub-branches are not included), did

not have MEDIUM or HIGH risk vulnerabilities in accordance with the OWASP TOP 10 security criteria at the time of

the security scan on 2023-01-17 18:31:34 (UTC) .

This certification is valid for one month after the scan date.

A.B.

ZOFixer CEO
